

Beth Hillel Bnai Emunah Academy Eighth Grade 2021-2022

Our 8th-grade experience takes place twice per month, on Sundays, from 11 - 12, incorporating two elements.

Study with Rabbi

Sundays, 11am - 12pm, monthly: (8th - 12th Grades.) Students meet one Sunday per month with Rabbi Nate Crane to explore contemporary Jewish issues. Student areas of interest partially guide content.

Madrichim Training

Sundays 11am - 12pm, monthly. Those who plan to serve as madrikhim in high school can also participate in these special sessions, covering classroom management, child development, educational games, and more. (These classes will take place on different Sundays than those above.)

Tuition is \$300 for one or both components. Registration through the [Academy registration form](#).
