As you know, we continue to see the extremely rapid spread of COVID-19, both locally and nationally. Now especially, we appreciate everyone's assistance in keeping one another safe. To protect our community and allow us to continue in-person activities during this surge, BHBE will require everyone ages 5 years and older attending in-person events to be fully up-to-date on recommended COVID-19 vaccinations. This will take two forms:

- Boosters for those eligible: BHBE will require everyone ages 16 years or older who is six months past their Pfizer or Moderna second dose or anyone who is two months past their single Johnson and Johnson dose to have received their booster or additional vaccine dose.
- Vaccines for children 5-11 years old: BHBE requires children ages 5-11 years old to be two weeks past the completion of their primary (two dose) vaccine series in order to attend in-person events, including the Academy, Tot Shabbat and Junior Congregation, and Families with Littles programming. This is consistent with the new requirements in Cook County and Chicago restaurants and entertainment venues in effect as of January 3.

To have you or your child marked in our system as up-to-date on COVID-19 vaccines for future events, please email a picture of your updated card or vaccine record to jackie.ernest@bhbe.org.

If you last sent in your vaccine information to the office at the time of the High Holidays, prior to your booster, we ask that you now send your updated vaccine record. If you prefer, you may bring a copy of your card or vaccine record with you to each event (please note on Shabbat and holidays we will not look on an electronic device to verify your vaccine status - please bring a paper copy with you). If you or your household members are not up-to-date on recommended COVID-19 vaccines, visit <https://vaccines.gov>, text your zip code to 438829, or call 1-800-232-0233 for more information. Consistent with state law, we will continue to also require masks to be worn by everyone over age two at all times inside the synagogue. Masks must be worn properly - covering both the mouth and nose. We encourage you to consider upgrading your mask to a high-quality, tighter fitting mask such as a N95, KN95, or KF94. We are grateful for everyone's cooperation in keeping one another safe. If you have any questions, please contact michael.kahn@bhbe.org.
