In response to the Fire Marshall's warning about our overcrowded storage spaces, a team of volunteers has been working to de-clutter and organize all shared storage areas in our building. In the weeks to come, volunteers will begin working to recycle, re-home, and dispose of items in the attic storage area. If you or your affiliate group would like to retrieve items from storage, we ask that you do so before Wednesday, January 25th so that we can be in compliance with fire codes as soon as possible.
