BHBE's High Holiday Appeal and Matching Program launched this week. Please see the detailed email sent this week. We need your help to reach our goal to raise \$135,000, with an 80% participation rate. If you have given before, we thank you for your generosity and are asking you to consider increasing your gift by 10% to help support our expanded and well received programming and to help cover the higher cost of operating a synagogue. If you have not donated previously, we welcome your gift of any size. For each donor who increases their gift by 10% or more, and for each new gift, an anonymous donor will contribute \$36. This is a great way to multiply the value of your gift.
