Prayer—Who Needs It? Rabbi Barry Friedman will be teaching on Mondays at 11am thru February 19. Most of the Jewish prayers we use today are almost 2,000 years old and, let's admit, some may feel stale. Can we revive our interest in the prayers of our ancestors and in the endeavor of prayer itself if we examine what the authors of the prayers were trying to express? What needs were these particular prayers designed to fulfill? What needs do we ourselves bring to worship? How can we interpret these ancient prayers to find them personally fulfilling in our modern world? This is zoom only. **You can register online or call the office, 847.256.1213:** <https://bhbe.shulcloud.com/form/Learning%20Curve%20Adult%20Education%202023-2024>
